Introduce yourself and explain your interest in participating in the Utility Board

I am a new resident in Tollgate Village, having moved from Franklin, TN in October. I am retired. I am presently serving at the Treasurer for P38 INC, a 501c3 organization supporting the 1st Brigade at Fort Campbell. I serve as the Treasurer for a homeowners association and have previously served either as President or VP for Cross Creek HOA in Franklin for 15 years. I have a Civil Engineering degree from Tulane Univ. but have not practiced engineering. I was the COO of a vegetable processing plant in Smyrna and dealt with BOD problems with the local waste water treatment plant. My other work background is 21 years as a USAF pilot and 16 years as a Commercial airline pilot. My interest in joining the board is due to the future delays in sewer taps in the Tollgate Village area and other future growth areas. I want to be able to serve my new community in some capacity and feel that this is an area were I might be able to contribute some talent and energy too.

Resume, Statement of Interest, etc. (not required)
