SUMMARY:	Purchase Brush Chipper – cost \$36,283.00
BACKGROUND:	<p>We had anticipated needing a chipper in this budget year which was included in the annual budget for Fiscal Year 2020.</p> <p>Having the chipper will enable the maintenance department to better serve the residents when trees and limbs are blown down from storms.</p> <p>We have spoken with the county and received their feedback on the best route to take in being that they have more experience with them, we value their opinion. Based on that, we would like to contact Vermeer company for a new 12" brush chipper. They will let us try it out first.</p> <p>Recommend for approval of this item.</p>
