

Contact Information

Eagle Scout candidates should know who is involved, but contact information may be more important to unit leaders and others in case they want to talk to one another. While it is recognized that not all the information will be needed for every project, Scouts are expected to provide as much as reasonably possible. Approval representatives must understand, however, that doing so is not part of the service project requirement.

Tell how your project will be helpful to the beneficiary. Why is it needed?

lets the park have nicer trails and decreases the chance of injury on the trails

When do you plan to begin carrying out your project?

When do you think your project will be completed?

Giving Leadership

Approximately how many people will be needed to help on your project?

Where will you recruit them (unit members, friends, neighbors, family, others)? Explain:

9 helpers recruited from the Troop during announcements and posted on Slack

What do you think will be most difficult about leading them?

Sharing my vision of the outcome

Materials

Materials are things that become part of the finished project, such as lumber, nails, and paint.

What types of materials, if any, will you need? You do not yet need a detailed list of exact quantities, but you must show you have a reasonable idea of what is required. For example, for lumber, include basic dimensions such as 2" x 4" or 4" x 4".

36.5" by 8.5" by 80" railroad ties
9 3/4" rebar
dirt/gravel

Supplies

Supplies are things you use up, such as food and refreshments, gasoline, masking tape, tarps, safety supplies, and garbage bags.

What kinds of supplies, if any, will you need? You do not yet need a detailed list or exact quantities, but you must show you have a reasonable idea of what is required.

shovels, pickaxes, water, trash bags, gatorade, subs or pizza, first aid kit, tampers

Tools

Include tools, and also equipment, that will be borrowed, rented, or purchased.

What tools or equipment, if any, will you need? You do not need a detailed list yet, but you must show you have a reasonable idea of what is required.

shovels, pickaxe, tamers, truck, rake, drill,

Other Needs

Items that don't fit the above categories; for example, parking or postage, or services such as printing or pouring concrete, etc.

Permits and Permissions

Note that property owners should obtain and pay for permits.

Will permissions or permits (such as building permits) be required for your project? Who will obtain them? How long will it take?

Parental permission

Preliminary Cost Estimate

You do not need exact costs yet. Reviewers will just want to see if you can reasonably expect to raise enough money to cover an initial estimate of expenses. Include the value of donated material, supplies, tools, and other items. It is not necessary to include the value of tools or other items that will be loaned at no cost. Note that if your project requires a fundraising application, you do not need to submit it with your proposal.

Enter estimated expenses below:
(Include sales tax if applicable)

Fundraising: Explain how you will raise the money to pay for the total costs. If you intend to seek donations of actual materials, supplies, etc., then explain how you plan to do that, too.

Materials: ~~100~~ 100
Supplies: 80
Tools: 0
Other: 0
Total costs: \$180

get materials from Home Depot and Lowes because they give \$50 for eagle projects

Project Phases

Think of your project in terms of phases, and list what they might be. The first may be to complete your final plan. Other phases might include fundraising, preparation, execution, and reporting. You may have as many phases as you want, but it is not necessary to become overly complicated; brief, one line descriptions are sufficient.

1. fundraising
2. buying materials
3. getting word out about project
4. executing project (lay diff/gravel, level, lay ties, rebar in)
5. reporting project
- 6.
- 7.
- 8.

Check with your council service center to determine if a Tour and Activity Plan is required.

Logistics

How will you handle transportation of materials, supplies, tools, and helpers? Will you need a Tour and Activity Plan?

Take materials in a work truck and people in SUV
get adult to get food for everyone

Safety Issues

The Guide to Safe Scouting is an important resource in considering safety issues.

Describe the hazards and safety concerns you and your helpers should be aware of.

Poisonous plants, tripping on roots, twisting ankles, hit by swinging tools

Final Planning

You do not have to list every step, but it must be enough to show you have a reasonable idea of how to complete a final plan.

List some action steps you will take to complete a final plan. For example "Complete a more detailed set of drawings."

~~fundraise money it needed for projects~~ do a part up part of the project
~~advertize to Troop for volunteers,~~
~~buy dirt and gravel to level ground,~~
~~buy railroad ties and rebar into ground,~~
