BOMA ACTION	

Bond Information

In 2021, this public improvement was moved from Performance to a 1-year maintenance period. There have been no new issues noted by Town Staff or the Town Engineer during the 1- year maintenance period; therefore, this bond may be released, and the improvement accepted by the Town.

Staff recommends the following:

1. Release maintenance surety for roadway, drainage, and erosion control.

2. Recommend BOMA approve the acceptance of the public improvement.
